company profile

Shenzhen Henghuida Industries Co., Ltd., Holding Company, and EverKing (Hong Kong) International Industry. Co., Ltd were established in 1998. We specialize in metal fabrication, including, but not limited to pegboard, peg hooks and kitchen and bath accessories. In addition we manufacture an extensive line of felt pads, caster cups, furniture sliders, rubber tips, bumpers, floor glides and casters. We welcome OEM and ODM customer enquiries. Our company's management objective is "quality first". All our products are designed and engineered for worldwide distribution; EverKing has been certified by ISO9001:2000 in 2004. Thank you for giving EverKing an opportunity to be of service.
